

## 90EC - Very quick performance

Compact front loading electric stapler for full-strip with adjustable anvil and staple depth. The construction of the 90EC makes it very fast (about 1/100 second). Fits in well by the copying machine in the office. Stands stably on a rubber mat.

### Specifications:

Capacity of Stapling	30 sheets (80 gsm)
Stapling Depth	up to 60 mm
Weight:	1.9 kg
Dimensions	110 mm(W) x 90 mm (D) x 240 mm(H)
